IN RE: House Bill No. 1756, as engrossed  
By: Hudson

FROM: Jim Oliver, Director

In response to your request for a Fiscal Note on House Bill No. 1756, as engrossed (relating to the elimination of certain racially offensive names given to geographical features) this office has determined the following:

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

The bill would require the State Department of Highways and Public Transportation to rename, on highway signs, maps, and other documents, certain geographic features that have racially offensive names.

Local governments would be required to change signs that display certain racially offensive names.

No significant fiscal implication to the State or units of local government is anticipated.
